Character Reference for Rod Courts

To whom it may concern,

It's my absolute pleasure to recommend Rod Courts for the position of contracts manager within your organisation.

Rod and I worked together on the DEMIN & GOS projects at Dairy Crest, Davidstow for approx. 1 year with a combined project value of £115M

I thoroughly enjoyed my time working with Rod, and came to know him as a truly valuable asset to absolutely any team. He is honest, dependable and incredibly hard-working. Beyond that, he is an impressive knowledge of contract management and electrical engineering and was always willing to share his knowledge / experiences within the team.

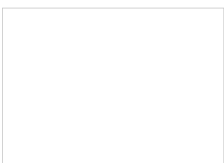

His broad knowledge of construction and expertise in electrical procedures was a huge advantage to our entire project team and he put this skillset to work in order to maintain budget & progress.

Along with Rod's undeniable talent, he was always an absolute joy to work with, a true team player, and always manages to foster positive discussions and bring the best out of other employees & contractors.

Without a doubt, I confidently recommend Rod Courts to join your organisation. As a dedicated and knowledgeable employee and an all-around great person, I know that he will be a beneficial addition to any project.

Please feel free to contact me on the below contact detail should you like to discuss Rod's qualifications and experience further. I'd be happy to expand on my recommendation.

Kind Regards
